PREXY'S CORNER

Fellow Lions and Companions in Service,

I have recently brought in a new member, Motoko. I just received two letters from Lion Bob Lee, Chair, District Membership Committee, and DG Alan Garson. These letters are attention to Lion Motoko, welcoming her to Lions Club of District 50. They are very touching, nice letters.

The District 50 Membership Committee has the MERLO (Membership, Extension, Retention, Leadership, Orientation) Team, focusing on retention and extension. The Committee started the "Proud Sponsor" campaign last year, and is encouraging all members to sponsor new Lions. 25 Lions were recognized as "Proud Sponsors" this past year.

Please support our goal to increase membership and D50's effort to recruit new members. Invite family and friends to our meetings and events!

Eyeglass Collection

Lion Kathy Hirata is coordinating with Parks and Recreation to collect eyeglasses at the City's "Good Life Expo" in September.

Lion Clancy Miyamoto reminded members that eyeglasses should be cleaned before turning them in. Cases are turned in separately and single lenses are not accepted. A count of glasses turned in is needed.

Queen Kaahumanu School

Education/Youth Comm. Chair Yoshi Hayashi reported on the School Community Council Meeting. (page 3)

Guest Speaker

Lion Wendell Hosea, D50 Environmental Committee Chairperson, emphasized that the Safe Sidewalk Project could not have received the honored International Gingko Award without the support of the many clubs who volunteered their efforts from August 2009 when the project first started. He recognized the Ala Moana Lions who participated with D50 Certificates of Appreciation (see **Recognizing** column on page 3). The project will go statewide with the Big Island next on the list. Oahu Lions will now work in the Downtown area, starting August 7 at Richards St. and eventually ending up on River St.

AMERICAN DIABETES ASSOCIATION
IS LOOKING FOR HELP!

Running a golf tourney as a major fundraiser requires a lot of people to do a lot of things. ADA needs volunteers for its "Partner's Fore a Cure Golf Tourney" on Thurs., Aug. 12th at the Hawaii Prince Golf Course.

Sign up with Social Services Chair Kathy Hirata for any of the following duties:

- 6- 9 am – Unload trucks and set-up.
- 9-12noon – Registration; check in; collect donations.
- 10-12noon – Help serving lunch
- 11 am- 2 pm or 2 pm-6pm - Beverage Cart Shifts
- 12 noon–6 pm – Floaters to work out on golf course.
- 7 pm-9 pm – Work silent auction.

AMERICAN HEART ASSOCIATION
ANNUAL HEART WALK

The Walk around Diamond Head will start at Kapiolani Park, by the Bandstand, on Sat. Aug. 14.

Lion Miles Matsumura asks Lions to report to Kapiolani Park at 7:30 am. A van will take the Lions to the Diamond Head Lookout Water Station.

VISION AND HEARING SCREENING FOR AUGUST

Fri. Aug. 27, 8 am – 11 am, Wilson Elementary (corner of Hunakai and Kilauea (**mauka** of Waialae Ave.)

It's going to be a busy morning at Wilson El when D50 Lions conduct vision and hearing screening testing for over 150 students.

To make things go smoother, Lions should attend the training session at Kaumakapili Church, across the street from Tamashiro Market, on S. King St at 8 am, Sat. Aug. 14. Dr. Roger Ede will conduct the vision screening training while Lion Phil Sharp will show how the audiometer is used in the hearing-testing program.

REPORT FROM QUEEN KAAHUMANU SCHOOL
(Contributed by Lion Yoshi Hayashi)

I attended the Queen Kaahumanu School Community Council meeting on Thursday, July 15 at 3:30 p.m.

The purpose of the meeting was to draw up a proposal to address school climate and safety during school hours. The major areas of concern were: 1) Loitering and trespassing on campus; and 2) School protocols and procedures for campus/classroom visitors and school business.

I reported to the Committee about Ala Moana Lions involvement in the following areas: 1) "Sight is Beautiful" poster contest; 2) Hearing screening for students; 3) Ground maintenance project; 4) Financial support for projects; and 5) Sign waving of any kind for safety of students. (Note to Members: Please see me if you can help in any of these projects.)
